2018 One Summer Chicago Youth Calendar and Information Sheet

Welcome to the Austin Green Team gardening program! We are excited that you are helping us beautify the gardens in the Austin community. The Austin Green Team is a volunteer organization that builds, maintains, and supports community gardens and community beautification in the Austin neighborhood. We also manage two green houses located in the Austin Career & Educational Academy High School, propagating and growing plants that help maintain the community gardens that the Austin Green Team oversees. The purpose of the Austin Green Team is to enhance the quality of life issues by working collaboratively with other community stakeholders in beautifying the Austin Community. The Austin Green Team meets every third Thursday evening, at the City of Chicago 15th District Police Department community room.
